

PURPOSE OF STUDENT LEADERSHIP

The student leadership team exists for the purpose of leading your fellow students to BELIEVE in Jesus, BELONG as part of our church family, and BEHOLD all that He will do in their lives. We want to see students take ownership of this ministry by leading their peers to love God and put Him on display in their lives. It is our hope that you would allow yourself to be used by God in such a way that our church, schools, and community would be radically changed by Christ. We want to build leaders who will love God, love people, and change the world.
